

GHS Safer Recruitment and Selection Policy

Statement of principles

Glebe House School & Nursery is committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to share and demonstrate this commitment in every aspect of their work.

We are committed to using disciplinary procedures that deal effectively with adults who fail to comply with the school's safeguarding and child protection procedures and practices including referring any allegation of abuse against an adult working with children to the Local Authority Designated Officer (LADO) within one working day of the allegation being made.

A referral will be made if an adult has behaved in a way that has harmed a child, or may have harmed a child possibly committed a criminal offence against or related to a child behaved towards a child or children in a way that indicates he or she would pose a risk of harm if they work regularly or closely with children. The purpose of this policy is to set out the requirements of a recruitment process that aims to:

- Attract the best possible applicants to vacancies
- Deter prospective applicants who are unsuitable to work with children or young people
- Identify and reject applicants who are unsuitable to work with children or young people

The appointment of all employees will be made on merit and in accordance with the provisions of Employment Law, Keeping Children Safe in Education and the school's Equal Opportunities policy. The School aims to recruit staff that share and understand our commitment and to ensure that no job applicant is treated unfairly by reason of a protected characteristic as defined within the Equality Act 2010.

The Recruitment, Selection and Disclosures Policy and Procedure herewith refers and applies to staff directly recruited and employed by the School. In the Education (Independent Schools Standards) (England) Regulations 2014, staff are defined as:

Any person working at the School whether under a contract of employment, under a contract for services or otherwise than under a contract, but does not include supply staff or a volunteer.

In the case of agency or contract workers, the School shall obtain written confirmation from the agency or company that it has carried out the appropriate checks.

Any staff who TUPE transfer into the School's staff, will be required to undertake the statutory requirements with regard to safer recruitment checks.

Roles and Responsibilities

The Governing Body of the school will:

- ensure the school has effective policies and procedures in place for the safe and fair recruitment and selection of staff and volunteers in accordance with Department for Education guidance and legal requirements and monitor the school's compliance with them
- ensure that appropriate staff and governors have completed safer recruitment training

The Headmaster will:

- ensure that the school operates safe and fair recruitment and selection procedures which are regularly reviewed and up-dated to reflect any changes to legislation and statutory guidance
- ensure that all appropriate checks have been carried out on staff and volunteers in the school (see Appendix i)
- monitor any contractors' and agencies' compliance with this document
- promote the safety and wellbeing of children and young people at every stage of this process

Advertising

All vacant posts will be advertised to ensure equality of opportunity and encourage as wide a field of candidates as possible. This will normally mean placing an advertisement externally as well as on the school website. However, where there is a reasonable expectation that there are sufficient, suitably qualified internal candidates, or staff are at risk of redundancy, vacancies may be advertised internally before an external advertisement is placed. Any internal recruitment process will follow the procedures set out in this policy.

All advertisements for posts, paid or unpaid, will include the following statements:

"Glebe House School & Nursery is committed to safeguarding and promoting the welfare of children and young people and requires all staff and volunteers to share and demonstrate this commitment"

"The successful candidate will have to meet the requirements of the person specification and will be subject to pre-employment checks including an enhanced DBS check and satisfactory references."

Application Form

The School will only accept applications from candidates completing the relevant Application Form in full. CVs will not be accepted in substitution for completed Application Forms.

The School will make candidates aware that all posts in the School involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Candidates for employed posts will receive a Job Description and Person Specification for the role applied for.

As the position for which candidates are applying involves substantial opportunity for access to children, it is important that applicants provide the School with legally accurate answers. Upfront disclosure of a criminal record may not debar a candidate from appointment as the School shall consider the nature of the offence, how long ago and at what age it was committed and any other relevant factors. Information should be submitted in confidence enclosing details in a separate sealed envelope which will be seen and then destroyed by the Head. If candidates would like to discuss this beforehand, they are asked to please telephone in confidence to the Head for advice.

Any unspent convictions, cautions, reprimands or warnings must be disclosed to the School. However amendments to the Exceptions Order 1975 (2013) provide that certain spent convictions and cautions are 'protected' and are not subject to disclosure to employers, and cannot be taken into account. Guidance and criteria on the filtering of these cautions and convictions can be found at the Disclosure and Barring Service website.

The successful applicant will be required to complete a Disclosure Form from the Disclosure and Barring Service ("DBS") for the position. Additionally, successful applicants should be aware that they are required to notify the school immediately if there are any reasons why they should not be working with children. This includes any staff who are disqualified from childcare or registration including 'by association' i.e. they live in the same household (or someone is employed in their household) as someone who has unspent cautions or convictions for a relevant offence (please see a list of the relevant offences set out here: https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/384712/DBS_referrals_guide_-_relevant_offences_v2.4.pdf). The 'by association' requirement also applies if you live in the same household as or someone is employed in your household who has been disqualified from working with children under the Childcare Act 2006.

The Childcare (Disqualification) Regulations 2009 apply to those providing early years childcare or later years childcare, including before school and after school clubs, to children who have not attained the age of 8 AND to those who are directly concerned in the management of that childcare.

The school takes its responsibility to safeguard children very seriously and any staff member and/or successful candidate who is aware of anything that may affect his/her suitability to work with children must notify the school immediately. This will include notification of any convictions, cautions, court orders, reprimands or warnings he/she may receive. He/she must also notify the school immediately if he/she is living in a household where anyone lives or works who has been disqualified from working with children or from registration for the provision of childcare.

Staff and/or successful candidates who are disqualified from childcare or registration, including 'by association', may apply to Ofsted for a waiver of disqualification. Such individuals may not be employed in the areas from which they are disqualified, or involved in the management of those settings, unless and until such waiver is confirmed. Please speak to the head for more details.

Failure to declare any convictions (that are not subject to DBS filtering) may disqualify a candidate for appointment or result in summary dismissal if the discrepancy comes to light subsequently.

If the candidate is currently working with children, on either a paid or voluntary basis, the School will ask their current employer about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether the candidate has been the subject of any child protection allegations or concerns and if so the outcome of any enquiry or disciplinary procedure.

If the candidate is not currently working with children but has done so in the past, the School will ask the previous employer about those issues. Where neither the current nor previous employment has involved working with children, the School will still ask the current employer about the candidate's suitability to work with children. Where the candidate has no previous employment history, the School may request character references which may include references from the candidate's school or university.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal by the School if they have been appointed, and a possible referral to the police and/or DBS.

4. Invitation to Interview

The School will shortlist applicants according to the relevance and applicability of their professional attributes and personal qualities to the role. Short-listed applicants will then be invited to attend a formal interview at which his/her relevant skills and experience will be discussed in more detail.

All formal interviews will have a panel of at least two people chaired by the Head or another designated senior member of staff. At least one person on the appointment panel will have undertaken safer recruitment training. The Chair of Governors should chair the panel for the Head's appointment. The interviewers involved will be required to state any prior personal relationship or knowledge of any of the candidates and a judgement will be made by the Chair as to whether or not an interviewer should withdraw from the panel. Should the Chair have a conflict of interest, the Vice Chair shall decide whether the Chair should withdraw from the panel.

Two references, one of which must be from the candidate's current / most recent employer, will be taken up before the selection stage so that any discrepancies may be probed during this stage of the

selection process. References will be sought directly from the referee and, where necessary, s/he will be contacted to clarify any anomalies or discrepancies. Detailed written records will be kept of such exchanges.

If the candidate does not wish the School to take up references in advance of the interview, they should notify the School at the time of applying.

Where necessary, previous employers who have not been named as referees may be contacted in order to clarify any such anomalies or discrepancies. Detailed written records will be kept of such exchanges.

If a candidate for a post working with children is not currently employed in a post working with children, a reference will be sought from the most recent employment in which the candidate has worked with children to confirm details of the candidate's employment and his/her reasons for leaving.

The School will compare any information provided by the referee with that provided by the candidate on the Application Form. Any inconsistencies will be discussed with the candidate.

The interview will be conducted in person and the areas which it will explore will include suitability to work with children.

All candidates invited to interview must bring documents confirming any educational and professional qualifications that are necessary or relevant for the post (e.g. the original or certified copy of certificates, diplomas etc). Where originals or certified copies are not available for the successful candidate, written confirmation of the relevant qualifications must be obtained by the candidate from the awarding body.

The School requests that all candidates invited to interview also bring with them:

1. A current driving licence including a photograph or a passport or a full birth certificate;
2. A utility bill or financial statement issued within the last three months showing the candidate's current name and address;
3. Where appropriate any documentation evidencing a change of name;
4. Where the candidate is not a citizen of a country within the European Economic Area or Switzerland, proof of entitlement to work and reside in the UK.

Please note that originals of the above are necessary. Photocopies or certified copies are not sufficient.

Candidates with a disability who are invited to interview should inform the School of any necessary reasonable adjustments or arrangements to assist them in attending the interview.

Conditional Offer of Appointment: Pre-Appointment Checks

Any offer to a successful candidate will be conditional upon:

1. Receipt of at least two satisfactory references (if these have not already been received);
2. Verification of identity and qualifications including, where appropriate, evidence of the right to work in the UK;
3. A satisfactory enhanced DBS check and if appropriate, a check of the Barred List maintained by the DBS;

7. Verification of successful completion of statutory induction period (for teaching posts - applies to those who obtained QTS after 7 May 1999);
8. Confirmation of right to work in the UK and where the successful candidate has worked or been resident overseas such checks and confirmations as the School may consider appropriate so that any relevant events that occurred outside the UK can be considered
9. Satisfactory medical fitness.
10. Confirmation from you that you are not disqualified from providing childcare under the Childcare (Disqualification) Regulations 2009 or Receipt of a signed Staff Suitability Declaration form showing that you are not disqualified from providing childcare under the Childcare (Disqualification) Regulations 2009.
11. Completion of a declaration that they are not disqualified 'by association'.

It is the School's practice that a successful candidate must complete a pre-employment health questionnaire. The information contained in the questionnaire will then be held by the School in strictest confidence. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role i.e. proposed workload, extra-curricular activities, layout of the School.

The School is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, considering medical evidence and considering reasonable adjustments.

Criminal Records Policy

The School will refer to the Department for Education ("DfE") document, 'Keeping Children Safe in Education' and any amended version in carrying out the necessary required DBS checks.

The School complies with the provisions of the DBS Code of Practice, a copy of which may be obtained on request or accessed here: <https://www.gov.uk/government/publications/dbs-code-of-practice>.

Retention and Security of Records

The School will comply with its obligations regarding the retention and security of records in accordance with the DBS Code of Practice and its obligations under its Data Protection Policy. Copies of DBS certificates will not be retained for longer than 6 months.

All new employees will be provided with an induction programme which will cover all relevant matters of school policy including safeguarding and promoting the welfare of children, child protection procedures, whistle blowing and guidance on safe working practices.

Adults working with children who are not employed directly by the school

Supply Staff

We will only use those agencies which operate a Safer Recruitment Policy and supply written confirmation that all relevant checks have been satisfactorily completed.

We will carry out identity checks when the supply staff member arrives at school.

Peripatetic staff

We ensure and confirm that necessary checks and DBS requirements have been satisfactorily completed for peripatetic staff.

Volunteers

We carry out DBS and pre-start vetting checks appropriate to the post (as above) and require regular volunteers to provide details of two referees. References are taken up, as detailed in this policy.

Students on placement

When volunteers are working in school as part of a recognised training course (such as PGCE, NVQ etc.), completion of an application form will not be required.

However, we will require proof of DBS enhanced clearance with barred list check and reference and we will carry out identity checks when the student arrives at school.

We will also require students to complete the Staff Suitability Declaration if they are working within the EYFS.

Students on work experience

Students on work experience will always be supervised.

Contractors

We ensure that contractors, or any employee of the contractor, working at the school have been subject to the appropriate level of DBS check, if any such check is required.

Contractors and contractors' employees for whom an appropriate DBS check has not been undertaken will be supervised if they will have contact with children.

If a contractor working at school is self-employed and will be in regulated activity, we will consider obtaining the DBS check, as self-employed people are not able to make an application directly to the DBS on their own account.

We will check the identity of contractors and their staff on arrival at the school.

This policy will be regularly reviewed and updated to reflect any changes to legislation and statutory guidance.

Visiting speakers

When a speaker is invited to visit the school, to work with a class or to lead an assembly, for example, the following checks will take place:

- Headmaster to seek two separate accounts verifying their suitability to the role

- Headmaster to speak directly with the visitor, either on the phone or via email, to seek assurance as to the content of their presentation
- Headmaster to perform a search of the internet and social media to ensure the person is suitable for the role in which they have been invited to fulfil

Appendix

Policy on the Recruitment of Ex-Offenders

The School will not unfairly discriminate against any candidate for employment on the basis of conviction or other details revealed. The School makes appointment decisions on the basis of merit and ability. If an individual has a criminal record this will not automatically bar him/her from employment within the School. Instead, each case will be decided on its merits in accordance with the objective assessment criteria set out below.

All candidates should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if they have been appointed, and a possible referral to the police and/or DBS.

Under the relevant legislation, it is unlawful for the School to employ anyone who is included on the lists maintained by the DBS of individuals who are considered unsuitable to work with children. In addition, it will also be unlawful for the School to employ anyone who is the subject of a disqualifying order made on being convicted or charged with the following offences against children: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence. It is also unlawful for the School to knowingly employ someone who works in the relevant settings and is disqualified from providing childcare under the Childcare (Disqualification) Regulations 2009, whether by association, or otherwise.

It is a criminal offence for any person who is disqualified from working with children to attempt to apply for a position within the School. The School will report the matter to the Police and/or the DBS if:

- the School receives an application from a disqualified person;

- is provided with false information in, or in support of an applicant's application; or
- the School has serious concerns about an applicant's suitability to work with children.

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the School will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position in question;
- the seriousness of any offence or other matter revealed;
- the length of time since the offence or other matter occurred;
- whether the applicant has a pattern of offending behaviour or other relevant matters;
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters;
- in the case of disqualification from providing childcare, whether the applicant has or is able to obtain an Ofsted waiver from disqualification; and
- the circumstances surrounding the offence and the explanation(s) offered by the convicted person.

If the post involves regular contact with children, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of any the following offences: murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence, serious class A drug related offences, robbery, burglary, theft, deception or fraud.

If the post involves access to money or budget responsibility, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted at any time of robbery, burglary, theft, deception or fraud.

If the post involves some driving responsibilities, it is the School's normal policy to consider it a high risk to employ anyone who has been convicted of drink driving.
