

My Name is:

D.O.B.

I started at Nursery when I was:

All about my family.

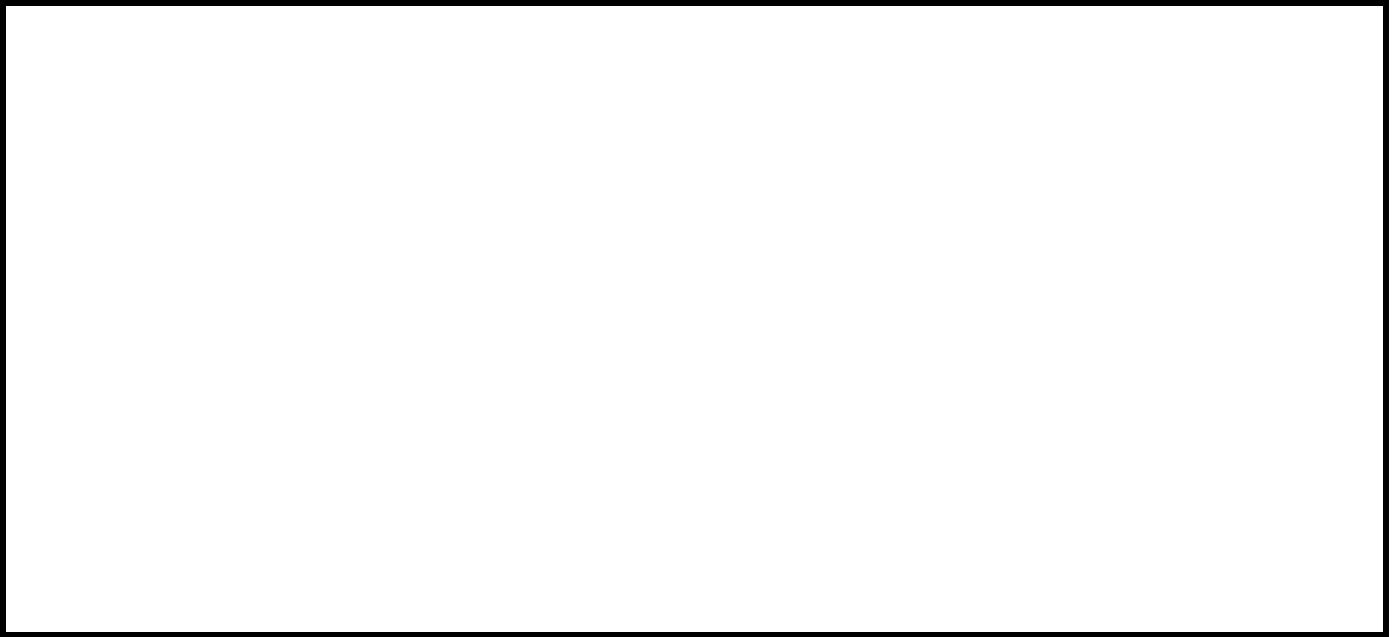

Please tell us about your family and either draw, or place a photo in the above space of your family. It is always helpful for us to know who may be likely to pick you up, or who you might like to talk about while you are at Nursery, for example parents, siblings, grandparents and anyone else who is special!

My family and friends

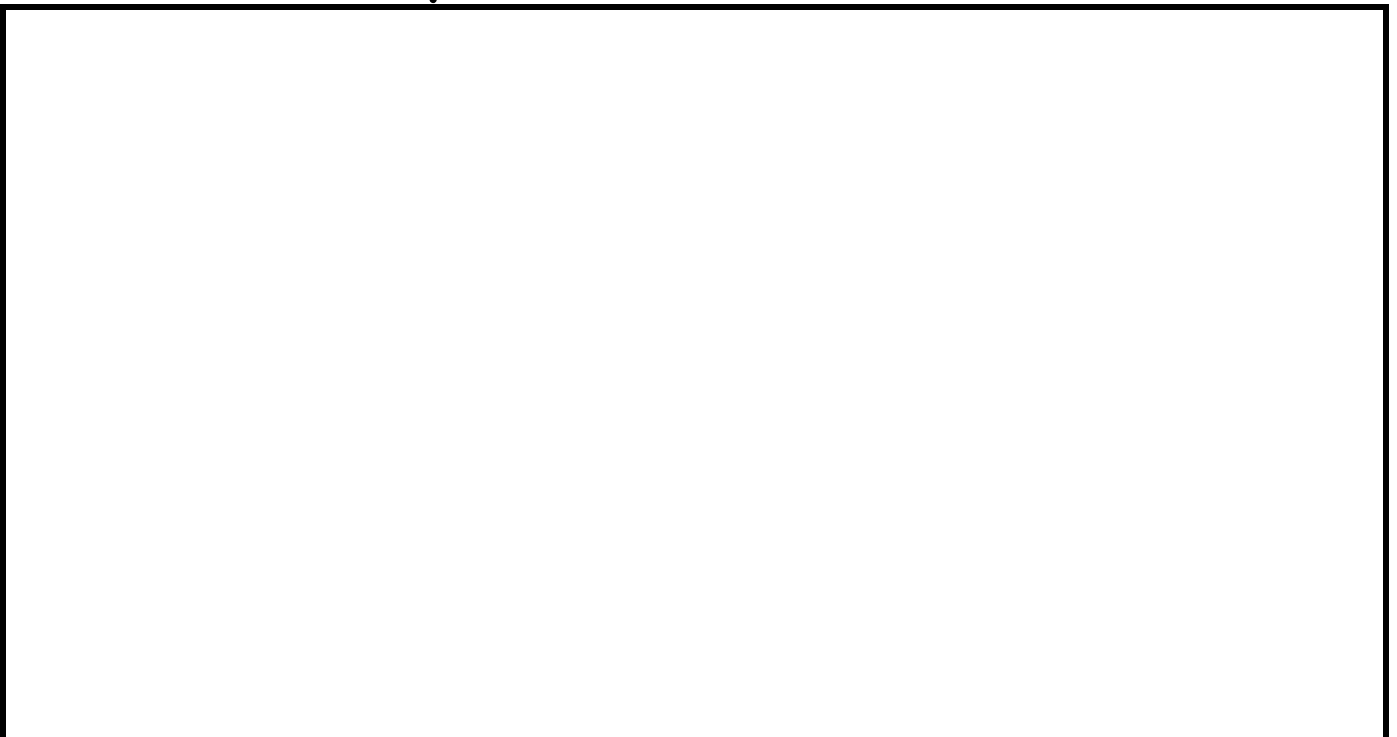

A large, empty rectangular box with a black border, intended for a drawing or a written response to the title above.

Pets

If you have any pets please tell us their names and either draw a picture or place a photo above

My routine at home

Please tell us all about what you do at home, for example when you like to sleep, eat and play! It is very important that we keep you as happy as you are at home, so we will try and follow your routine as closely as possible. Also please let us know if you use nappies, a potty or toilet?

Other important things you have done or do

In the above box it would be helpful if you could let us know for example, if you have been to another Nursery or are still going to one. Do you go to Tumble Tots, or do anything else special during the week?

My Likes and Dislikes!

I like:

E.g. Trains/Dolls
Ice-cream

I don't Like:

Loud noises
Carrots

Some of my favourite things

If you have favourite toys, stories or a special cuddly please tell us all about it in the space above, and any special names they have?

Anything else special about you and
your family

Example: Special words which we may not understand for members of the family or familiar objects!
