

**GLEBE HOUSE
SCHOOL**

This is Sammy's book.

It is special to Sammy and his family and records Sammy's progress and development and celebrates his achievements here at Nursery and at Home. Sammy can add pictures or ask an adult to write in it for him.

We welcome parents and carers comments, so please write about events at home and add photographs, tickets, information about days out or anything of interest to you and your child.

We encourage children to share their special books with others to celebrate their success, share experiences and feel good about themselves.
