

Glebe U11 Development Rugby vs Beeston U11B

29th September we played a match against Beeston. It was a good game but we lost by five tries, the score was 13 – 8.

My man of the match is Malachi for scoring lots of tries and throwing some good passes.

Glebe U11 Competition Rugby vs Beeston U11A

Under 11 vs Beeston started off slow but we gradually got back in the game. Our attacking was very good with myself scoring three. Freddie H, Freddie B both scoring four and George Scoring one. Our defence is a bit poor but that can be improved.

My man of the match is Ravon.

Match Report U13 Rugby

On the 29th September we played a home game against Beeston School. It was a tough game and we sadly lost. It was a great first game back after two years of not being able to play. I think the things we need to work on are passing and running as a line and getting that confidence to go and tackle.

Man of the match was Myles for a great performance.
