

**GLEBE HOUSE
TRUST NURSERIES**

Babysitting Policy

Following your request for a member of the Glebe House Trust Nursery team to babysit for you, we would like to make you aware of the following points:

- Booking a member of the team to babysit is a private agreement between yourself and the staff member and Glebe House Trust Nurseries accept no responsibility for the agreement or the period of time they babysit for you wherever they may be.
- Although we follow a safe recruitment interviewing process to ensure all staff are safe to work in a nursery and everyone has a full DBS (police check), we have no experience of them loan working so can not recommend them for babysitting. It is therefore your responsibility to make agreements with them which you feel safe with.
- Glebe House School Trust & Nurseries Insurance does not cover staff for babysitting.
- If at any point the member of staff or nursery is concerned about any safeguarding problems, they should cease babysitting so there is not a conflict of interest between the setting's safeguarding procedures and their part time work with you.

I/We agree to the above policy whilst employing the named member of staff as a babysitter and the member of staff is aware of the agreement that Glebe House Trust Nurseries accept no responsibility for your private arrangement.
